# 2024 INITIATIVES

## TRAILBLAZERS DTS

Empowering students to know God and make Him known through a 6-month intensive Bible and missions course. Four *Trailblazers* DTS students were sent on outreach across Niagara, Atlanta, Winnipeg, and Japan - our first outreach team sent to an unreached nation!

## WT WAVE TOUR

Calling the local church to missions and evangelism through youth and young adults training events. 480+ young people were called to live on mission across 13 tour events from Niagara to Halifax.

## SOULED OUT WORSHIP

Run in collaboration with local young adults; weekly Niagara-wide worship nights, monthly *Sent Out* events, and worship leader training seminars- all focusing on faith in action. 40+ gathered weekly, 110+ gathered monthly, and 30 worship leaders trained.

## BASE PURCHASE

Generous supporters like you rallied to establish YWAM's first base property in Niagara Falls for discipleship, missions training, outreach, and community.

# 2025 GOALS

**Southern Ontario is the most diverse region on earth**, with many coming from the largest unreached nations like Bangladesh, Japan, and India.

Our goal is to develop a focused strategy, to see Gen Z from top unreached nations encounter Christ through the boldness of Gen Z Christians being trained and sent on mission, from Niagara to the nations.

We see this made possible by building long-term partnerships in the 10-40 Window and expanding our training schools to disciple more of Gen Z unto mission!

**WE ARE SO GRATEFUL FOR YOUR  
GENEROUS  
SUPPORT**

**THANK YOU!**

This is only possible because of donors and volunteers like you. Your investment brings impact today and for years to come, as we empower Gen Z to live their calling from Niagara to the nations, together!
